Finding aid encoded by the Library of Congress Geography and Map Division, 2021

Collection Summary

Title: National Oceanic and Atmospheric Administration and Board of Geographic Names map proofs collection

Span Dates: 1939-1997

Call No.: G3701.B3 coll .U5 NOAA

Creator: United States. National Oceanic and Atmospheric Administration

Extent: 19 items

Extent: 1 folder

Language: Collection material in English

Location: Geography and Map Division, Library of Congress, Washington, D.C.

LC Catalog record: <https://lccn.loc.gov/2021588001>

Summary: The collection consists of 19 map proofs by the U.S. Coastal and Geodetic Survey and the U.S. Geological Survey. The maps contain handwritten annotations and stamps to correct or update placenames.

Provenance

The National Oceanic Service donated the collection to the Geography and Map Division in June 1993.

Processing History

The collection was processed and arranged by Ryan Moore in 2021.

Copyright Status

Materials from the National Oceanic and Atmospheric Administration and Board of Geographic Names map proofs collection are governed by the Copyright Law of the United States (Title 17, U.S.C.) and other applicable international copyright laws.

Access and Restrictions

The National Oceanic and Atmospheric Administration and Board of Geographic Names map proofs collection collection is open to research. Researchers are advised to contact the [Geography and Map Reading Room](#) prior to visiting. Many collections are stored off-site and advance notice is needed to retrieve these items for research use.

Preferred Citation

Researchers wishing to cite this collection should include the following information: Container number, National Oceanic and Atmospheric Administration and Board of Geographic Names map proofs collection collection, Geography and Map Division, Library of Congress, Washington, D.C.

Scope and Content Note

The collection of 19 map proofs by the U.S. Coastal and Geodetic Survey and the U.S. Geological Survey represents an example of mapmaking in the twentieth century. The maps contain handwritten annotations and stamps to correct or update placenames.

Arrangement

The National Oceanic and Atmospheric Administration and Board of Geographic Names map proofs collection is organized in a single series:

- [Series I](#): The National Oceanic and Atmospheric Administration and Board of Geographic Names map proofs collection
